## Professional Summary

Front-End Developer specialized in Angular with solid knowledge in TypeScript, RxJS, and responsive web design. Proficient in building scalable SPAs, integrating RESTful APIs, and using Git for version control. Passionate about creating clean, maintainable code and delivering seamless user experiences.

## Education

- Faculty of Computers and Information Science – Damanhour University
- Bachelor of Computer Science | 2021 – 2025
- GPA: 3.617

## Projects

### Damanhour University Portal (Graduation Project)

A responsive, multi-language university portal that showcases news, events, media, and student services, built with Angular and integrated backend APIs. Tech Stack: Angular, TypeScript, Bootstrap, REST APIs. [View on Github.](#)

### Africa Stores

An e-commerce sportswear store built with Angular, featuring product filtering, user authentication, and a modern UI. Fully responsive with integrated API calls and routing. Tech Stack: Angular, TypeScript, Tailwind css, REST APIs. [View on Github.](#)

### My-Portfolio

Interactive Portfolio - Angular 18 application with Tailwind CSS styling, featuring responsive design, theme toggle, and smooth animations to showcase development projects and technical skills. Tech Stack: Angular, TypeScript, Tailwind css , angular animations. [View on Github](#)

### CRUD System (Built with Vanilla JavaScript)

This is a lightweight and fully functional CRUD application developed using pure JavaScript . The system allows users to add, view, edit, and delete product records through an interactive user interface, with all changes reflected instantly on the page. It’s a great example of DOM manipulation, event handling, and data persistence using local storage. [View on Github.](#)

## Technical Skills

- Frameworks & Libraries: Angular, React.js, , Tailwind css, Bootstrap, SASS, Redux, Redux Toolkit.
- Languages: TypeScript, JavaScript, HTML5, CSS3 , C++ , SQL.
- Tools & Concepts : Git, GitHub, postman , OOP, Data Structures, Algorithms .
- Soft skills : Problem solving - Communication Skills – presentation skills - Team Collaboration – creativity - Time Management .

## Personal Information
